The main theme of the congress is "Neuropsychopharmacology to the next generation: New wave from Asia."

Pharmacotherapy for the treatment of neuropsychiatric disorders should be developed further in Asia where robust economic expansion has occurred.

The 2019 AsCNP Congress seeks to advance neuropsychopharmacology to the next generation in Asia.

"AsCNP Outstanding Research Award for AsCNP2019", "Excellent Research Award for AsCNP2019", "Excellent Presentation Award for AsCNP2019" and other presentation or travel awards supported by AsCNP membership societies will be awarded to the selected abstracts.

Please check our website for the detailed information of the congress.
